Dear Dr. Morgan

September 13th Meeting Change

Due to a scheduling conflict, we have moved our September 13th speaker meeting to the Harbert Center. Our speaker remains the same, Dr. G. Blaine Bishop. Dr. Bishop will be discussing Osteonecrosis and treatment with the hyperbaric oxygen chamber.

The Harbert Center is located at 2019 4th Ave N # 100, Birmingham, AL 35203-3360. If you need directions you can [click here](#) for a link to their site. Please do not confuse this with the AmSouth Harbert Plaza building.

There is secured parking directly across the street in the Birmingham Parking Authority parking deck. An attendant and security guard are on duty as well as a security presence at the Harbert Center. We will validate your parking once inside the Harbert Center. The Harbert Center is an excellent facility with delicious food. We have reserved the Atrium for our meeting which will provide a spacious venue for our meeting.

If you have not completed your registration, [click here](#) to confirm your reservation and pay with PayPal, our preferred method. Or, you can still reserve your place by email and payment by check. To make a reservation by email, send your name to our office. [Click here](#) to email us at birminghamdds@gmail.com.

We must confirm an accurate number of guests to the Harbert Center five days before the event. It is very important that we know if your are going to attend. Please register by PayPal or email as soon as possible.

Thanks so much.....Richard
